19. If any behavioral problems arise or the animal turns out to be unsuitable for you, do you agree to communicate the issues to BTCAR and return to BTCAR asap if necessary or work with us to hold the dog while we find appropriate placement? We are a foster based rescue and sometimes takes a few days to move an animal.

20. Would you be able to help us find a permanent home for the dog? (We do not require fosters to help in this way, but certainly love it if they can! This help could involve a range of activities, from letting your friends and coworkers know about your foster and raving about him/her on social media to bringing the foster to weekend adoption events at pet stores near you—we could help connect you with those events.)

21. Do you agree to allow BTCAR to take the foster back from you as soon as possible if we find a suitable permanent home?
